## A New Plant.

The News is branching out and a new cylinder press, book binding machine and ruling machine will be added to the equipment. There is room in this city for the plant that is to be installed and will keep a lot of work at home that is being sent out. Mr. Lemmon left for the City last evening to make arrangements for the material. The parties of the venture have incorporated under the name of the "Nevada Press" and will be ready to do business at the new stand in a few months.

## Found Frozen to Death

Undertaker Kuhn of this city, while going to Dayton yesterday afternoon discovered the body of a man in Gold Canyon a short distance above Briggs mill near Silver City. The body was removed to Dayton where an inquest was held on the remains last evening and it was developed that his name was Chas. Franc, an American aged about 38 years, who had been lately employed on railroad work near Mound House. About five days ago, while under the influence of liquor he wandered away from the camp and was overcome by cold and froze to death.—Chronicle.

## Notice to Creditors.
